Interstate 80

by R.C. BARRETT

I ran my dark complected fingers through my shaggy dark black hair while trying to hitch a ride out of New York City. Standing, with one foot carelessly against the nearby lamp post. Sucking on a cigarette. Quite a number of cars had passed me on this hot muggy summer morning, but finally one of them came to the curb. As this new Chevy stopped a young friendly looking guy ran his window down and asked: "Want a ride?"

"Hell yeah." I replied opening the front door of his car. As I entered the cool air conditioned confines of his vehicle, tossed my decripit overnight bag in the rear. I stretched out for the long ride. Actually I wanted to show off my big cock, the outline of which was plainly visible through my tight white pants.

"Going far?" the driver asked.

"Hollywood." I muttered, "gotta get the hell outta this joint." I noticed the driver was grinning at me as I lit up another cigarette.

"So you are going to Hollywood, eh?" the driver asked, "Why? Kinda disturbed at this frankness I replied: "Well, I was shacked up with a coupla fellows back there." indicating Greenwich Village. "But last night they kinda got drunk and really raised hell, guess they tore up the shack." I paused to get my breath, then continued: "Early this morning the cops came around. Guess they were looking for me but I scrammed."

While telling this to the driver I continued to stroke my cock.

"You Goddamned right I'm glad." I replied. "cause those fellows wanted to screw me in the ass and that hurt!"

"So you are running away?" the blond haired driver asked.

"Yeah, guess so Hear Hollywood's full of guys like me." I continued.

"Yes, so they say. By the way my name is Danny, what's yours?" he asked.

"Oh shit! Mine's Mike." I added.

"Glad to know you Mike. I'm going to the West Coast and would like your company." Danny told me.

"You would?" I asked in amazement.

"Sure Mike. if you want the lift." Danny replied.

"Sure, if it ain't no trouble, "I told my newfound buddy.

"No trouble at all and I'd like to have your company." he added.

"Well if it ain't no trouble I'd like to go," I told Danny.

"Know why I am going to California?" he asked me.

"No, why?" I asked.

"For a long time now I'd been working for a theatrical agency entertaining their male actors. My latest fling was a cute young fellow named Billy. He loved to suck asses while I liked cocks. His long slim prick with a reddish circumsized head seemed to wink at me every time he opened his pants," Danny stopped to light another cigarette.

"Yeah, go on," I urged.

"Almost every morning I'd accept his monstrosity way down my throat. while he tried to lick my ass. Boy this really excited me, as his vibrating tongue entered my tight ass hole I almost was ready to come. Sure enough shortly I could feel his pulsing prick discharge gobs of hot, thick come down my throat while he was tonguing my ass. I shot off gobs of come all over my belly. As we lay there smoking our cigarette he told me "Think we'd better stay here today." When Iasked his reply was: "Hell yeah, I'm the boss" so we continued our sexual explorations."

"Well what happened then?" I asked curiously.

"About noon we went bare assed into the kitchen to get something to eat. After finishing we ran back to our bed where we contined our fucking around for the rest of the day," Danny continued. "One afternoon Billy came home almost in tears. When I asked the trouble he told me he'd have to go to California. Last night we had a gang of actors over at our apartment and had a hellova a good time."

"Hell's bells ain't you had enough sex for a while?" I asked him.

"Yes, until I picked you up," Danny replied. "By the way are you hungry?"

"Hell could eat a horse," I replied.

"Let's find a decent place to eat breakfast,"' Danny told me. Soon Danny guided his car off the highway to a nice looking restaurant. When we'd ordered Danny asked me if I wanted to wash up.

"Yeah and I gotta piss too," I replied.

Danny led the way into the vacant wash room Soon as we'de gotten into the bright wash room I tore at my fly, dragging our semi-flaccid six inch piece of meat.

While I was letting go a stream of yellow looking fluid Danny watched. When I'd completed pissing he decided to take one too. His was almost hard when it was withdrawn from his pants. I know its hard as hell to piss when your dick's hard, but some began to dribble from Danny's. Before he could replace it in his pants I dropped to the floor before him. Quickly I took his enlarged tool in my mouth and began to suck it. Although Danny had told me he had sex the night before it wasn't long before I felt a big wad of come pulsing down my throat.

"Fooled you!" I asked grinning shyly at my new buddy."

"No, just surprised me, " he replied dropping to his knees to take mine. By now mine was large enough that he had trouble getting it in his mouth. I musta been hot ' cause soon as his moist mouth was over it I shot off all over his face as well as in his mouth. He swallowed most of it, then got to his feet wiping off his mouth.

"Paid you back, didn't I?" he asked.

"Yeah, with interest too," I grinned. Then we washed up and ate a delicious breakfast. While we were eating I told him about my earlier life. How I'd been kicked out by my parents almost four years ago. Lived by my wits until now I was almost seventeen. Now I want to go to Hollywood. When we'd finished eating both of us light up another cigarette and returned to our car.

I hadn't had much sleep the night before so I continued to doze off, but occasionally stroking my big hard on. When I woke we were near Chicago. Immdiately I dug for another cigarette while Danny asked: "Have a good sleep?"

"Yeah, must a been tired," I told him wiping my eyes.

"Glad you did, because I've reserved us a room at the Holiday Inn near here," he continued, "We should be getting there soon."

After we'd gone about twenty miles Danny said: "Look over there Mike, believe it's there now."

"Sure hope so, 'cause I gotta piss again," I replied.

"Damned all you think of is your dick, isn't it?" he asked.

"Know anything better?" I asked with a grin.

"Don't guess so," he replied turning into the motel.

KENTUCKY

B1362 KENTUCKY
White male, 35, bi, wants to meet new friends. Can't have guests at home but plenty of motels in Maysville area. I am 6', 225 lbs., with brown hair & eyes. Letters with revealing photos answered 1st.

We entered the plush looking place while Danny went to register. Soon we were in our large clean looking room away from the noisy traffic. I was limping cause I had a full head of steam in my bladder. Almost pissed on the floor but just made the commode. Danny suggested we wash up and get some chow.

I followed Danny into the darken dining room. There we enjoyed a succulent dinner and Danny drank a coupla beers. Leaving the dining room Danny purchased a local paper before goingto our room. I turned on the color television set while Danny began to read the newspaper. I was hot and tired from the trip so decided to take a shower. Slowly I undressed and when finished wanted Danny to enjoy the view.

"Danny," I called out, "like this?"

I stood posing like a statue, proudly displaying my merchandise. When I cupped my balls with my hand Danny's eyes almost popped out of his head. God, he thought, as he looked me over. Standing there contrasted to my medium height, my tiny waist and slender hips my sex organ looked monstrously large, completely out of proportion to my slim body. It looked as if it had been cut from a Grecian Statue and magically glued between my legs.

"Mike, you're the best," Danny replied. "Now get that grime off and we'll have a ball!"

"Righto," I replied plunging into the cool shower. I started to let the cool water wash the grime from my darken body. I especially enjoyed feeling the cool water running over my ever hard dong, and this isn't usuaual for a kid almost seventeen. I could see Danny throw his paper aside and commence undressing. Glancing back to see him entering the shower with his prick almost hard.

"No you don't." I laughed as I covered my ass with my hand.

"You looked so comfortable though I'd join you," he told me.

"I kidding," I replied quickly dropping my hand from my ass.

"Thought you were," Danny laughed then gave me a sharp slap on my ass.

After a cooling shower we dried each other off, when dry I slumped on the big clean bed with my big prick pulsing in the air, Icould see Danny's eyes bulging out of his head.

"Come and get it!" I cried.

"Coming buddy boy," he replied plopping down alongside of me on the bed.

Tentatively he took my large penis into his mouth. I could see it was so big that it almost gagged him. I started mouthing his as he was getting mine into his mouth. His was smaller than mine but hard as a rock. As he was sucking mine his fingers started to move around near my ass hole. As it got good to me I felt one of his fingers easily slip into my ass hole. Boy that felt good, with him sucking me and fingering my ass too! As this was happening I felt another of his fingers slip into my ass hole, but I didn't mind cause I liked Danny very much. I continued to mouth his semi-flaccid prick hoping to get some more out of it. As it started getting hard again I felt fire through my loins as I shot gobs of thick hot come down his welcomed throat. I was too interested in sucking his to be bothered about his iners. Again my throat was being filled with his hot come and I could feel my ass hole open up. Guess that he could have stuck his whole fist in it.

"How did you like that?" Danny inquired.

"Boy, that was swell," I replied as his prick slipped from my mouth.

"Mind me playing with your ass?" he asked.

"Naw, kinda like it," I replied.

"But you told me you didn't like anyone playing around with your ass," he reminded me.

"No, that was them other guys, they hurt!" I told my buddy, swinging my ass in rythum of his strokes. After a few minutes I asked: "Danny wanna fuck me now?"

Danny continued to finger fuck me in my ass, "If you want me to," he grinned.

"Okay, throw it to me, I quickly told him.

Danny withdrew his shitty fingers from my ass hole. Quickly he washed the smelly stuff from his hand and returned to the bed. Although his prick was filled with my saliva and my ass hole fully relaxed Danny did not want to hurt me. Instead he smeared a lot of slippery stuff from his shaving cream tube on his enlarged prick and put a gob of it on my ass.

"Ready?" he asked.

"Yeah, go ahead!" I told him.

Slowly I felt the enormous head of his prick slip into my welcomed ass hole.

"How was that?" he asked as he paused.

"It hurt a little when you first entered but now it's okay go ahead," I told him.

"It hurt a little when you first entered but now it's okay - go ahead," I told him.

Slowly, not wanting to hurt me, he slid his large penis further in my ass hole. Finally I felt him hit bottom.

"God, that feels good," I moaned, "go ahead and fuck me."

Easily Danny rammed his well lubricated prick back and forth in my ass hole, soon whispering in my ear: "I'm about ready to come!".

Then I could feel his prick pulse as he sent bogs of hot sweet come well within my lubricated ass. Boy this was the best ever. After he'd expended his load in my ass I lightened the muscles around his slowly throbbing penis, trapping his member well within me.

Exhausted we both went to sleep with his prick well within me.
